RESPONSE

Sir:

This is in response to the office action dated October 2, 2007. Accordingly, the response is timely filed.

Remarks begin on page 2 of this paper.

REMARKS

Applicant elects Group II without traverse, the claims readable there on being claims 20-31, which are drawn to a method of treating cancer by administering ketotifen or an analogue thereof and a chemotherapeutic drug subject to multi-drug resistance by P-gp. This election is without prejudice to the Applicant filing divisional applications to the Groups I and III-V inventions.

The Commissioner is hereby authorized to charge any deficiency in fees or credit any overpayment to our Deposit Account No. 02-2095.

In view of the foregoing, we respectfully submit that the application is in order for allowance and early indication of that effect is respectfully requested. Should the Examiner deem it beneficial to discuss the application in greater detail, this is kindly requested to contact Tina Loucaides by telephone at 416-957-1684 at his convenience.

Respectfully submitted,
